{joomplu:36023 detail}

**May 2007, Bethlehem PA:** Dennis Wolf wins his first IFBB Pro show, the Keystone Classic! A well deserved victory as Dennis should also have won the N.Y. Pro two weeks earlier. (Kai Greene was 3rd at the Keystone and went on to win the Denver Pro two weeks later) This year Dennis Wolf is considered a top favorite for the Olympia title in Las Vegas after his strong 4th place in 2008!
